YOUR UTAH, YOUR FUTURE VISION FOR 2050

The YOUR UTAH, YOUR FUTURE vision is the result of more than two years of work with 400 of Utah's experts and 60,000 Utahns offering their expertise and their hopes for the future. This vision, created by Utahns, for Utahns, will be a guide to all of us as we work towards the future we want for the state we love.

**Envision
Utah** How we grow matters.
