

# Safeguarding Cache Valley's Water

## Bear River Development Project

## SEMINAR & DISCUSSION

**Date:** Wednesday, April 22

**Time:** 12:00—12:45 p.m.

**Place:** BNR 102, USU Campus

As a result of growing water concerns in the West, plans for a new reservoir in Cache Valley are underway. The Bear River Development Project will develop 220,000 acre-feet of Utah's water rights on the Bear River. The Division of Water Resources is currently undergoing studies to investigate reservoir sites and right-of-way for a transmission pipeline. Come join us to learn more about this future reservoir.

**Speakers:** Marisa Egbert, P.E. Project Manager, Utah Division of Water Resources

Mike Collins, P.E. Principal, Bowen Collins & Associates

**Sponsors:** *Quinney College of Natural Resources, USGS Utah Cooperative Fish & Wildlife Research Unit and Bridgerland Audubon Society*
