

2015 iUTAH Summer Institute

June 15-18 & July 17, 2015

Are you a teacher,
undergraduate student
or high school student?

Spend a week outside
this summer in the Heber
Valley doing research
related to water quality
and availability.

Learn about water issues
in Utah, build your
resume, work with iUTAH
researchers
& earn a stipend.

Participate in a Utah water
sustainability symposium
& contribute your
findings.

Applications Due:
April 30, 2015
