

Proposal for new iUTAH Education, Outreach, and/or Diversity (EOD) Catalyst Grant

Applications due by: October 9, 2014

As a statewide program focused on water sustainability, iUTAH is dedicated to broadening our engagement with a wide range of stakeholders across Utah. We are currently looking to extend the reach of our collaborations, so are inviting existing or potential partners to submit ideas for proposed new activities that align with iUTAH's goals.

Potential partners include, but are not exclusive to:

- Existing iUTAH partners
- Museums
- School Districts
- Non-profit organizations
- Business groups

Examples of Activities include:

- K-12 Programs
- Field trips
- Workshops
- Curriculum development
- Diversity enhancement activities
- Citizen science programs

Successful new activities will closely align with iUTAH Education, Outreach and Diversity milestones and engage iUTAH target audiences. These audiences and milestones are outlined in the [iUTAH Strategic Plan](#). Budget requests should match the breadth of the activities proposed. Most awards are expected to be less than \$10,000.
