

Communication Boot Camp

Laura Vernon

| Professional Communication, Keith Grant-Davie

| Utah State University

Goal

- Help researchers and program managers effectively communicate their scientific and program information to diverse audiences

Methodology

- Teach technical communication webinars via a web conferencing service provider
- Edit research and program materials
- Consult on projects to formulate effective communication strategies

Impact

- Supporting iUTAH 's mission to build learning communities where
- Knowledge is shared and understood
 - Participation and collaboration are encouraged and nurtured
 - Changes to attitude, behavior, and policy can take place
